WALK-IN INTERVIEW / WRITTEN TEST

Candidates are invited to attend Walk-In Interview / Written Test between 9.30 AM to 10.00 AM for project posts under the various projects on contract basis as detailed below (please refer Website for changes if any in the date of interview).

1	Name of the Project	Strengthening / promoting evidence based advocacy for influenza prevention and control in India
	Name of the post	Project Staff Nurse
	Place of Interview	ICMR – NIE
	Date of interview	11.04.2022
	No. of posts & Category	02 (OBC-1, ST-1)
	Place of posting	ICMR – NIE
	Essential Qualification	Diploma in Nursing / Midwifery (GNM) or equivalent and registered nurse or ANM with any state nursing council
	Desirable Qualification and Experience	<ul style="list-style-type: none">• B.Sc. in Nursing• Experience in data collection in field based health research surveys• Experience in clinical examination• Experience in blood collection• Experience in collection of nasal and oro – pharyngeal swabs• Knowledge of computer applications
	Remuneration	Rs.31,500/- per month
	Age Limit	OBC – 33 years (including 3 years age relaxation) ST – 35 years (including 5 years age relaxation)
Nature of Duty	<ul style="list-style-type: none">• Coordinate/conduct field-based surveillance• Collect socio-demographic information• Carry out clinical assessment of study participants• Collection of blood, oropharyngeal and nasal swabs• Collect treatment related information from the participants• To carry out hospital based surveillance• Perform any other work assigned by the Director/PI/Co-PI/Supervisory officer	
Duration	Up to 30.06.2022 (May be extended on satisfactory performance and continuation of the project)	

2	Name of the Project	Strengthening / promoting evidence based advocacy for influenza prevention and control in India
	Name of the post	Project Multi-Tasking Staff
	Place of Interview	ICMR – NIE
	Date of interview	11.04.2022
	No. of posts & Category	01 (UR)
	Place of posting	ICMR – NIE
	Essential Qualification	10th Pass/ High school or equivalent.
	Remuneration	Rs.15,800/- per month
	Age Limit	25 Years
Nature of Duty	<ul style="list-style-type: none"> • Assist in the collection/ receipt of samples, lab supplies, etc. • Preparation of laboratory material for testing, carrying out sterilization • Daily maintenance of laboratory equipment and work areas • Bio – waste management • Perform any other work assigned by the Director/ PI/ Co-PI/ Supervisory Officer 	
Duration	Up to 30.06.2022 (May be extended on satisfactory performance and continuation of the project)	

3	Name of the Project	COVID - 19 epidemiological sub-studies under the ongoing study strengthening / promoting evidence based advocacy for influenza prevention and control in India (COVID Sub Study)
	Name of the post	Project Junior Nurse
	Place of Interview	ICMR – NIE
	Date of interview	11.04.2022
	No. of posts & Category	01 (EWS)
	Place of posting	ICMR – NIE
	Essential Qualification	High School or equivalent with science subject plus certificate course in ANM with 5 years of experience from a recognized Institute / Board.
	Desirable Qualification and Experience	<ul style="list-style-type: none"> • Graduate degree in Nursing with working knowledge of computer
	Remuneration	Rs.18,000/- per month
	Age Limit	28 Years
	Nature of Duty	<ul style="list-style-type: none"> • Collect clinical history and other project-specific details • Collect biological samples (Blood, Urine, throat swab, nasal swab) for laboratory testing • Report to the project assistant/ project Scientist on case enrolment and data collection. • Any other work assigned by the Director/PI/Co-PI/ Supervisory officer
Duration	Up to 30.06.2022 (May be extended on satisfactory performance and continuation of the project)	

4	Name of the Project	Strengthening laboratory surveillance for pneumococcal meningitis in India to understand the impact of pneumococcal conjugate vaccine (PCV) rollout
	Name of the post	Project Data Entry Operator
	Place of Interview	ICMR – NIE
	Date of interview	12.04.2022
	No. of posts & Category	02 (UR-1, SC-1)
	Place of posting	ICMR – NIE
	Essential Qualification	Intermediate or 12 th Pass from recognized board. A speed test of not less than 8000 key depressions per hour through speed test on computer.
	Desirable Qualification and Experience	<ul style="list-style-type: none"> • Typing certificate in English Lower / Higher issued by State Government.
	Remuneration	Rs.17,000/- per month
	Age Limit	UR - 25 Years SC – 30 Years
Nature of Duty	<ul style="list-style-type: none"> • Data entry work • Administrative work related to the project • Any other work assigned by the Director/PI/Co-PI/Supervisory officer 	
Duration	Up to 30.06.2022 (May be extended on satisfactory performance and continuation of the project)	

5	Name of the Project	Improving Efficiency of Vaccination Systems in Multiple States in India - Hospital Based Sentinel Surveillance for S. Pneumoniae and Other Invasive Bacterial Disease (HBSSPIBD)
	Name of the post	Project Data Entry Operator
	Place of Interview	ICMR – NIE
	Date of interview	12.04.2022
	No. of posts & Category	01 (UR-1)
	Place of posting	ICMR – NIE
	Essential Qualification	Intermediate or 12 th Pass from recognized board. A speed test of not less than 8000 key depressions per hour through speed test on computer.
	Desirable Qualification and Experience	<ul style="list-style-type: none"> • Typing certificate in English Lower / Higher issued by State Government.
	Remuneration	Rs.17,000/- per month
	Age Limit	25 Years
Nature of Duty	<ul style="list-style-type: none"> • Data entry work • Administrative work related to the project • Any other work assigned by the PI/Co-PI/Supervisory officer 	
Duration	Up to 30.11.2022 (May be extended on satisfactory performance and continuation of the project)	

6	Name of the Project	HEALTH TECHNOLOGY ASSESSMENT PROJECT UNDER RESOURCE CENTRE/HUB - ICMR NIE
	Name of the post	Project Data Entry Operator
	Place of Interview	ICMR – NIE
	Date of interview	12.04.2022
	No. of posts & Category	01 (UR-1)
	Place of posting	ICMR – NIE
	Essential Qualification	Intermediate or 12 th Pass from recognized board. A speed test of not less than 8000 key depressions per hour through speed test on computer.
	Desirable Qualification and Experience	<ul style="list-style-type: none"> • Typing certificate in English Lower / Higher issued by State Government.
	Remuneration	Rs.20,000/- per month
	Age Limit	25 Years

	Duration	Upto 26.11.2022 (May be extended on satisfactory performance and continuation of the project)

7	Name of the Project	Establishment of surveillance system in a rural population cohort for describing epidemiology of SARS CoV-2, Dengue and Chikungunya Infection towards setting up of field based clinical trial site in Model Rural Health Research Unit in Tirunelveli, Tamil Nadu
	Name of the post	Project Scientist – B (Non-medical/ Lab)
	Place of Interview	ICMR – NIE
	Date of interview	12.04.2022
	No. of posts & Category	01 (EWS -1)
	Place of posting	Model Rural Health Research Unit, Govt. Primary Health Centre campus, Kallur, Tirunelveli District, Tamil Nadu
	Essential Qualification	<p>First class Master's degree in Microbiology/ Medical Lab Technology/Virology/Molecular Biology from a recognized university with 2 years R&D/ teaching experience in the relevant subject.</p> <p style="text-align: center;">(OR)</p> <p>Second class Master degree in Microbiology/ Medical Lab Technology/Virology/Molecular Biology + PhD from a recognized university in the above subjects.</p>
	Desirable Qualification and Experience	<ul style="list-style-type: none"> • Doctoral degree/ Post-doctoral experience in Microbiology/ Medical Lab Technology/ Virology/ Molecular Biology/ Infectious diseases • Hands-on experience in performing endpoint PCR and Real Time PCR (qPCR) • Trained in GCP/GLP • Good scientific writing skills evidenced by research publications • Experience in biomedical research involving human samples and testing

		<ul style="list-style-type: none"> • Knowledge of Computer Applications/Bioinformatics.
	Remuneration	Rs.48,000/- plus HRA per month
	Age Limit	35 Years
	Nature of Duty	<ul style="list-style-type: none"> • To provide support for planning, managing and implementation of laboratory component of the project • Coordinate with clinical recruitment sites in the implementation of the project especially the laboratory component • Prepare laboratory protocols/SOPs/teaching and training materials • Supervise laboratory personnel • Perform laboratory testing incl. end point/ real time PCR etc. • Perform laboratory QA/QC for the project • Responsible for Best Documentation practices in the laboratory component including maintenance of laboratory records, reports, inventory (logistics and samples). • Contribute to the preparation of project technical reports. • Any other work assigned by the Director/PI/Co-PI/Supervisory officer
	Duration	6 Months (May be extended on satisfactory performance and continuation of the project)

8	Name of the Project	Establishment of surveillance system in a rural population cohort for describing epidemiology of SARS CoV-2, Dengue and Chikungunya Infection towards setting up of field based clinical trial site in Model Rural Health Research Unit in Tirunelveli, Tamil Nadu
	Name of the post	Project Assistant
	Place of Interview	ICMR – NIE
	Date of interview	12.04.2022
	No. of posts & Category	01 (OBC -1)
	Place of posting	Model Rural Health Research Unit, Govt. Primary Health Centre campus, Kallur, Tirunelveli District, Tamil Nadu
	Essential Qualification	Graduation in any discipline from a recognized university with 3 years work experience in administration/finance and accounts works at recognized institution.
	Desirable Qualification and Experience	<ul style="list-style-type: none"> • Working experience in accounts, establishment and administration. • Experience in handling TA/DA claims and reimbursements. • Working knowledge of eOffice, e-governance modules. • Master's Degree in Business Administration • Knowledge of computer applications – Word, Excel, PowerPoint. • Able to communicate effectively in English
	Remuneration	Rs.32,000/- per month

Age Limit	30 Years
Nature of Duty	<ul style="list-style-type: none"> • Primary responsibility will be to do the necessary groundwork (requests/notes/follow-up) in a timely manner for all aspects of this project as follows: • Project establishment activities incl. staff recruitment, attendance, leave, resignation and filling-up vacancies • Accounts management, settlement of claims, and reimbursements. • Building and equipment maintenance including timely AMC /repairs • Travel management including arrangements for hotel booking, vehicle booking, TA/DA claim/ honorarium forms for meetings/M&E visits by investigators/ supervisory team/ sponsors/ external monitors • Stores management including preparing purchase requests, follow-up on purchase process till receipt of items, inventory/ asset maintenance • Transport vehicle management including vehicle indents/mileage logs • Any other work assigned by the Director / PI / Co – PI / Supervisory Officer
Duration	3 Months (May be extended on satisfactory performance and continuation of the project)

9	Name of the Project	Establishment of surveillance system in a rural population cohort for describing epidemiology of SARS CoV-2, Dengue and Chikungunya Infection towards setting up of field based clinical trial site in Model Rural Health Research Unit in Tirunelveli, Tamil Nadu
	Name of the post	Project Technical Officer (SW)
	Place of Interview	ICMR – NIE
	Date of interview	12.04.2022
	No. of posts & Category	01 (SC -1)
	Place of posting	Model Rural Health Research Unit, Govt. Primary Health Centre campus, Kallur, Tirunelveli District, Tamil Nadu
	Essential Qualification	Graduate degree in Social Science/ Social work with five years' work experience in public health project/health care management from a recognized institution (OR) Master's degree in Social science/ social work from a recognized university.
	Desirable Qualification and Experience	<ul style="list-style-type: none"> • Experience in working in community-based health research projects and vaccine/clinical trials • Experience in designing and developing community awareness materials • Experience in planning, organizing and carrying out community awareness, engagement and outreach activities • Experience in translating the community awareness tools, consent documents and other documents from English to Tamil • Experience in liaising with various stakeholders in the community and government administration • Experience in conducting verbal autopsy • Proficiency in Tamil
Remuneration	Rs.32,000/- per month	

Age Limit	30 Years
Nature of Duty	<ul style="list-style-type: none"> • Plan and carry-out community-based data collection • Design and develop community awareness materials • Plan and carry out health camps, community awareness and engagement activities • Liaise with various stakeholders in the community and government administration • Prepare periodic study reports • Conduct verbal autopsy • Any other work assigned by the Director / PI / Co – PI / Supervisory Officer
Duration	6 Months (May be extended on satisfactory performance and continuation of the project)

10	Name of the Project	ENHANCING THE CAPACITY OF MODEL RURAL HEALTH RESEARCH UNIT, TIRUNELVELI TO CONDUCT HUMAN CLINICAL TRIALS FOR COVID 19 VACCINE CANDIDATES
	Name of the post	Project Scientist – B (Non – Medical) (CRC-Quality Assurance Management)
	Place of Interview	ICMR – NIE
	Date of interview	12.04.2022
	No. of posts & Category	01 (OBC -1)
	Place of posting	Model Rural Health Research Unit, Govt. Primary Health Centre campus, Kallur, Tirunelveli District, Tamil Nadu
	Essential Qualification	1st class Master's degree in Medical Laboratory Technology/Microbiology/Biochemistry/Virology/ Biotechnology from a recognized University with two years' experience in Health Research. (OR) 2nd class Master's Degree with Ph.D. in the above areas from a recognized university.
	Desirable Qualification and Experience	<ul style="list-style-type: none"> • PhD in the above subjects from recognized University • Trained in GCP and GLP. • Hands on experience in handling laboratory equipment • Laboratory QC/QA. • Drafting SOPs, protocols, reports and manuscripts. • Experience in NABL Accreditation process • Writing reports and manuscripts • Publication in peer-reviewed journals • Willingness to work in the rural areas • Proven ability to work effectively in a team environment
	Remuneration	Rs.48,000/- plus HRA per month
	Age Limit	38 Years
Nature of Duty	<ul style="list-style-type: none"> • Implement quality assurance protocol in sample collection, handling and storage. • Documentation and file management for NABL accreditation and audits. • Supporting the clinical trial team for instituting QC/QA at every stage of study 	

	<ul style="list-style-type: none"> • Maintenance and review of logs for all laboratory related activities. • Extensive travel to the field sites • Any other work assigned by the Director / PI / Co – PI • / Supervisory Officer
Duration	6 Months (May be extended on satisfactory performance and continuation of the project)

11	Name of the Project	Model Rural Health Research Unit in Tirunelveli, Tamil Nadu
	Name of the post	Project Scientist – C (Medical)*
	Place of Interview	ICMR – NIE
	Date of interview	13.04.2022
	No. of posts & Category	01 (UR)
